BALIKA SHIKSHA-GIRL CHILD EDUCATION

In Indian society women have customarily been kept subservient to men but we are committed to change the patriarchal mind-set of the society. So to bring the girls into the social and political main stream for their economical, social and political development and to make them pioneer of the world, there is a need to empower the girls for a strong and healthy society.

In this context we have been doing the following activities:-

- All the girls are examined and counseled by lady doctors.
- Competitions and educational learning are provided in art and craft.
- We provide competitions in Painting, Mehndi, and Rangoli etc.
- Knitting, embroidering and stitching education are provided by experiential learning opportunities.
- Traditional and rational culinary.
- Education in spiritualism is provided
- Tour of historical places is provided.
- We usually conduct kanya sabha in which we provide a platform to express their views on the different topics.
- We provide a psycho-pedagogic guidance service in our school that gives support to all school levels, Primary Education, Secondary and Upper Secondary Education.
- Academic and professional guidance programmes, vocational development programmes, study strategies and techniques, academic performance improvement techniques and Personal meetings with parents to ensure close cooperation.

Principal's Message

Our standard of education is excellent & based on the Indian cultural & values. Our students score 100% marks in respective subjects and Fluent in Languages, Communication and general knowledge.

They have developed team spirit and qualities of leadership. In this context our Vidya Bharti students are qualifying UPSC exam and ready to take the responsibility & lead the society and Country. We believe that schools are the 'TEMPLE' where by the grace of GOD and by the blessing of teachers one can shape their future.

To achieve the aim and objectives of a school it is essential that a disciplined approach must be adapted to all levels. We have taken a great care for strong them and for the discipline in the school which actually assures a wholesome growth of students along with my all teaching staff working in the direction of teaching learning process & its betterment. Students must be participative with positive attitude.

Finally, I believe that my all Secondary & Senior Secondary students will attain their destinations, goals and serve our mother land MAA BHARTI

Sumant Kumar

Jai Hind.

OUR MISSION

is to develop such a national education system through which such a young generation youth could be built which be full of patriotism and Hinduism and physically, vitally mentally, intellectually and spiritually fully developed to successfully meet the present challenges of their lives and have harmonised, enriched and cultured freeing their downtrodden, deprived brethren in villages, forests, hill-caves and slums from social malpractice, exploitation and injustice.
